For your “forever,” Hotel Preko Ugljan Island, Curio Collection by Hilton, offers a unique and unforgettable setting – a seaside wedding with an intimate atmosphere and personalized service.

Set on the peaceful island of Ugljan, just across the channel from the historic city of Zadar, Hotel Preko offers an intimate setting for couples who dream of a wedding surrounded by the sea, nature and authentic Dalmatian charm. Small island streets, quiet coves, olive groves and beautiful Adriatic views create countless picturesque corners for unforgettable photographs and moments shared with the people who matter the most.

Each wedding at Hotel Preko is thoughtfully tailored, allowing couples to create a celebration that feels personal and meaningful. Civil ceremonies can take place on the hotel’s rooftop terrace with beautiful views of the sea and Zadar, while religious ceremonies are possible in the charming local church just a short walk from the hotel.

The island itself becomes part of the experience.

Couples can capture unforgettable wedding photos aboard the hotel’s speedboat or on the nearby island of Galevac, surrounded by Mediterranean nature and the Adriatic Sea.

Celebrations begin with a welcome drink on the pool terrace overlooking the marina and the open sea, as the sun sets over the Zadar archipelago. The evening continues with a wedding dinner at Terra Restaurant, where the terrace offers a lovely setting for dining under the island sky.

With accommodation available for family and friends, Hotel Preko allows everyone to stay together and enjoy the celebration, from the ceremony and dinner to relaxed moments by the sea.

Weddings are celebrated surrounded by the beauty of the sea, the warmth of island life and moments that become lifelong memories.

Although set on a peaceful Adriatic island, Preko is easily reached. Zadar Airport is located just a short distance away, while regular ferry and passenger boat connections link the city of Zadar with the island of Ugljan in approximately 20 minutes.

The crossing itself becomes part of the experience — a short journey across the sea as the views open towards the islands and the calm rhythm of island life slowly begins to take over.

On Ugljan, life moves at a different pace. Small seaside villages, olive groves, quiet bays and endless Adriatic views create a relaxed and intimate atmosphere — a beautiful setting for celebrating special moments.

Close to the mainland, yet surrounded by the beauty of the Adriatic, Preko offers the feeling of a true island escape while remaining easy for guests to reach.
